

# *Cultural Visit to Japan during Cherry Blossom Festival*

*VM Travel New Destination in Spring 2019*

This spring Corinne is travelling to Japan with Mieko, her Japanese sister-in-law to discover the wonders of Japan.

Mieko moved to Canada as a young woman and spent her career in Edmonton teaching Japanese. She complimented her curriculum with student tours to Japan. Mieko is now retired and so is enthusiastic about working with VM Travel Adventures as our guide in Japan to give you an authentic cultural experience.

In Mieko's family village we will arrange for "home stays" so you can experience the true Japanese culture: Tea pouring ceremony, Origami, Sushi and Saki and Shinto shrines. The highlight of this tour will be the Cherry Blossom Festival which takes place at the end of March to beginning of April. It looks spectacular!

Visits to Tokyo and Kyoto are anticipated and travel on the bullet train!

I will know more after I return at the end of May!

If you are interested in this tour next spring please let Corinne know.
